Shawn,

The QAPP should be ready on Monday. I will send it to you as soon as I receive it.

Jean: EPA is going to take a split sample with McKesson in December. USGS rep will be there to take a split sample with McKesson in December, 2011 {first 2 weeks}. EPA's Houston Lab will analyze for PCP and they need a QAPP from McKesson. Please send this ASAP so Region 6 can complete all the paper work for the analysis

Sincerely
